## >Senior Designer

+40756078539 | irinelalexandru.radut@gmail.com| Bucharest, RO

### About me

Highly skilled Senior Designer with expertise in experience design, including user interface and user experience principles, 3D visualization, and motion design. Proficient in Adobe Creative Suite and possess a strong understanding of design principles. Currently developing skills in front-end web technologies, including HTML, CSS, and JavaScript, and eager to expand my capabilities in this area. Proven ability to meet deadlines, collaborate effectively, and deliver high-quality, visually impactful designs. Portfolio showcases diverse projects across various industries, including print and social media design.
